

PURE WATER FAUCET

The Bluewater Pure Water Faucet is the perfect choice when you want simple and straightforward function from a premium reverse osmosis faucet.

BLUEWATER PURE WATER FAUCET

SCANDINAVIAN DESIGN

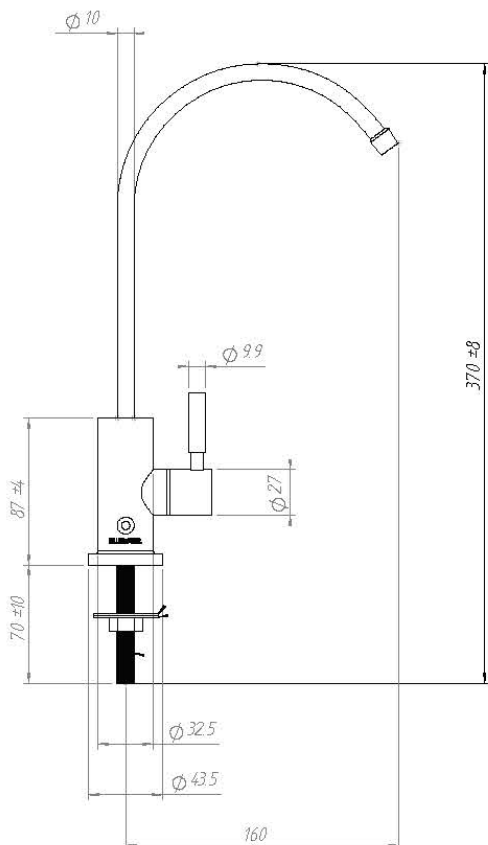

Minimalistic Scandinavian design that compliments most any kitchen decor.

HIGH QUALITY

Food-grade stainless steel faucet with ceramic core valve for safe handling of water treated by SuperiorOsmosis™ and reverse osmosis purification systems. Tested according to NSF, ANSI, and CAN 61 standards to ensure delivery of safe, purified water from the faucet.

360°-SWIVEL SPOUT

For easy access to the water and effortless handling. User friendly design with short installation time.
